COMMUNITY EVENTS

VOLUNTEER AT OUR FARM & LEARNING CENTER

Outdoor Volunteer Opportunities Available!

Visit our website for dates and hours.

Join Conservancy staff as they work at the Hawthorne Avenue Farm and Outdoor Learning Center. Volunteers are an important part of Greater Newark Conservancy's mission and operations. As a result of COVID-19 we've had to revise some of our volunteer policies, but we are able to host small groups and individuals at our Hawthorne Avenue Farm and Outdoor Learning Center. Tasks vary daily but may include planting, watering, weeding, mulching, or composting. No garden experience? Don't worry our friendly and knowledgeable staff will show you the ropes! All volunteers must complete the pre-screening survey when they register. Check our website for dates and to register! **Please visit www.citybloom.org for more information and sign up to volunteer.**

COMMUNITY PROGRAMMING

JESUIT VOLUNTEER CORPS & FOODCORPS

This fall we welcomed two new JVs and four FoodCorps members to our family!

Both the JV Corps and FoodCorps programs are Americorps affiliated, year-long service terms where applicants from all over the United States commit themselves to engaging, fostering growth, and providing resources to their host community to develop healthier, more just environments.

This year our FoodCorps members will be working with local Newark schools helping to develop their school gardens, nutrition and food education programs, and more!

The Jesuit Volunteer Corps members will be helping to grow our urban and community farming programs and our Youth Farm Stand.

Learn more about our JV and FoodCorps members on our social media!
